BOB ON BINGO

By Bob Whittmore

The Best Bingo Hall of Them All

Well, last month I guess I vented my bad feelings enough, exposing the worst place I ever played Bingo. This time around, THE BEST.

You have heard me mention it before, but my favorite place to play Bingo is on Airline Highway, in the Western suburbs of New Orleans. It is in a large, barn-like building. It is a charity Bingo, with a ton of non-paid, friendly employees making sure that everything goes well. And, everyone seems to be smiling for some reason.

The place is run efficiently, and there seems to be an adherence to the rules similar to what I got used to during my years of living and playing Bingo in Vegas.

The sales-area makes sense. There are many helpful signs and extra people around to explain things. The callers were very articulate and despite their New Orleans accents, they were easy to understand.

And, as I mentioned months ago, this hall had a lovable young caller with a slight speech impediment. When he said: "Your next ball is in the monitor," it sounded as if he was saying, "Your next ball is in the munder."

He wasn't perfect yet tried so hard to

please that we appreciated his good work even more I think. I wish I could remember his name.

Oh, and one other thing: THE FOOD IS MAGNIFICENT. There is everything you would want, from standard American to Asian to Tex-Mex...even a Cajun buffet.

All-in-all, I could not give this place higher marks. So, every time I visit New Orleans, I don't go the French Quarter, I drive out Airline Highway to play Bingo and EAT!

For my money, this place is as perfect as you can get. I really need to plan a trip to New Orleans for the coming months. I will fly into Louis Armstrong International Airport and take the E-2 bus out Airline Highway, into Jefferson Parish, and head for that magic place.

While I am there, I will lose myself in the atmosphere...the amazing food aromas, and the hospitality. And, folks, isn't that why we go to Bingo, to escape? Remember, there are five reasons we play Bingo:

- 1) To get out of the house;
- 2) To have food we don't usually eat anywhere else;
- 3) To laugh with our friends;
- 4) To have a little excitement and suspense, and...
- 5) On rare occasions to win and scream BINGO!

Next month: The sweetest email I ever got.

Horoscopes for October 2024

ARIES (MAR 21-APR 20): The full Moon on the 16th rearranges how you exert your will and move forward into life. What's required now is a gentler but still firm touch. Make time to enjoy the pleasures of home and the support you experience there. It's OK to slow the pace this month.

Lucky Days: 8 - 11
Lucky Numbers: 56 - 58

TAURUS (APR 21-MAY 21): Re-evaluating your relationships now is critical. Put ending (or mending) some of the more complicated bonds in your life at the top of your to-do list. Fine-tuning your social life allows you to concentrate on finishing some of the major projects you started earlier this year.

Lucky Days: 6 - 22
Lucky Numbers: 9 - 32

GEMINI (MAY 22-JUN 21): The good vibes surrounding you this month allow you to project enthusiasm into the environment. This should benefit your affairs at work and in asking for favors. Some would call this a lucky phase, but,

really, it's about letting your innate talents shine effortlessly.

Lucky Days: 6 - 18
Lucky Numbers: 55 - 59

CANCER (JUN 22-JUL 22): Pop out of your shell and see the big picture surrounding you. Mars, the dynamo planet, is in your sign, goading you to move away from shyness and into the spotlight. You often downplay your best attributes, but this isn't the time to do so. We're all waiting for you to shine.

Lucky Days: 8 - 25
Lucky Numbers: 8 - 19

LEO (JUL 23-AUG 23): The full Moon on the 16th pulls you into a wrestling match. You have two essential goals before you, but only one will bring you the satisfaction you seek in your career right now. Weigh both sides carefully, and then pick your winning strategy at the end of the month.

Lucky Days: 8 - 13
Lucky Numbers: 9 - 45

VIRGO (AUG 24-SEP 23): Now's the time to embrace the positive aspects of maturing. Allow yourself to put into practice the wisdom you've accrued and share its benefits with others. You've always been a bit of a teacher; this is the time to show us more about those gifts.

Lucky Days: 3 - 19
Lucky Numbers: 22 - 34

LIBRA (SEP 24-OCT 23): It's your birthday season, although you're feeling a little more coy than usual. See if you can assert yourself

and experiment a little in the dating department. Keep your eye out for folks who walk to a different drummer; that person will inspire you most now.

Lucky Days: 11 - 22
Lucky Numbers: 19 - 36

SCORPIO (OCT 24-NOV 22): Mercury and Venus have visited your sign this month, sparking new ways of thinking about your ideals and love life. While inspiration is high right now, you'll profit best by setting a deadline for yourself and keeping the promise of reaching your goal uppermost.

Lucky Days: 19 - 30
Lucky Numbers: 55 - 59

SAGITTARIUS (NOV 23-DEC 21): You're moving back and forth between taking in more information or focusing on the guidance received from your intuition. Establish clear guardrails about how much unnecessary data you consume and stick to the facts that serve your life best.

Lucky Days: 1 - 11
Lucky Numbers: 23 - 28

CAPRICORN (DEC 22-JAN 20): Anxiety is a part of life for all of us, but

you can monitor how much agitation you allow into your world. Cut back on negative input and opinions from friends or work associates. Limit time on the computer or in front of the TV. Get outdoors and align with your sign's earth element.

Lucky Days: 9 - 26
Lucky Numbers: 3 - 19

AQUARIUS (JAN 21-FEB 19): Careful planning is this month's keynote. Gather the facts, crunch the books, and strategize how to organize your finances. You've had your share of bumpy economic twists and turns this year, but smart budgeting can set everything right quickly.

Lucky Days: 8 - 20
Lucky Numbers: 22 - 44

PISCES (FEB 20-MAR 20): Remember that old advertisement "Is it real or is it Memorex?" This month, you could ask the same question about your imagination and dream life. Pay attention to the borderline between fantasy and reality. It's thinner than you think.

Lucky Days: 7 - 11
Lucky Numbers: 7 - 17

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

NEWS FROM THE REAL WORLD & CYBERSPACE

Bingo-themed Greeting Cards

Online Gala Bingo has announced a partnership with Moonpig, a retailer of greeting cards and gifts. This collaboration has produced a limited-edition collection of greeting cards based on traditional Bingo calls. The collection includes eight cards, each incorporating references to Bingo phrases. Cards are available in various sizes, with prices starting at £3.99 (\$5.17) and can be purchased exclusively through Moonpig's website until the end of the year. The cards are available only to customers aged 18 and over. Sara Jolly, Gala Bingo Head of Brand, stated, "Celebrating the moments that matter is at the heart of everything we do at Moonpig, which is why we are delighted to be partnering with Gala Bingo to create a range of cards which can be there for our customers to spread joy and send to friends and family across a variety of occasions."

Dauber Deal Goes Through

Pollard Banknote recently announced the acquisition of Clarence J. Venne (Venne), a manufacturer of Bingo markers primarily used in the charitable gaming Bingo market. The agreed upon purchase price was \$12.6 million. Venne, founded in 1962 by the inventor of the Bingo dauber, has been a player in the Bingo market for over six decades. The company's products are distributed throughout North America as well as in 23 other countries around the world.

Comedy Caller Winner Crowned

This summer, Dabbers Bingo hosted its Bingo Comedy Caller Contest 2024 where musical and clowning comedian

Dru Cripps' was announced as the winner and awarded £1,000 (\$1,280) alongside a year-long contract with Dabbers Social Bingo. Cripps had originally entered the competition only to be knocked out in the heats. However, after his friend and fellow comedian, Lilian Wenker, was forced to pull out of the final due to illness, Cripps stepped and ended up claiming the top prize. His innovative style saw him incorporate both music and dance elements to Bingo calling to win over the judges. The competition was hosted by BBC New Comedy Award finalist and Live at the Apollo comedian Sikisa Bostwick. The competition is part of the company's goal of re-imagining the Bingo experience for people age 20-50.

Bye-Bye to Five Selma Bingos

Five bingo halls operating in Selma, Alabama were searched and shut down after state's Attorney General Steve Marshall executed search warrants and served temporary restraining orders to the locations. Locations affected include, Joker Bingo, Mini Bingo, Selma Charity Bingo, Selma Bingo and Lucky Duck. Marshall thanked the Alabama Law Enforcement Agency, Dallas County Sheriff's Office and the Dallas County District Attorney's Office for their assistance and support. (Editor's Note: Remind me not to move to Alabama.)

Ghosts, Ghouls, and Sweetest Day

"Living in a nudist colony takes all the fun out of Halloween." -Ms. Know It All

October is a spooky month during which we celebrate all things ghastly and ghostly. Years ago, my brothers and I would curl up on the couch and watch scary movies while munching pizza and popcorn. Chiller Theater came on at 11:30p.m Saturday night and we covered our heads with blankets when vampires, ghosts, or Frankenstein appeared on screen. Scared us s#%##%, but scary good fun! Now I'm in bed by 9:30p.m. and if I eat pizza and popcorn after 5:30 I get acid reflux which eats me alive as I chug water and chew Tums; while cursing myself for giving in to my bad snack habits. Bad Nan doesn't always listen to what her gut is warning her not to do.

October 25th is Frankenstein Friday, founded by Ron MacCloskey in 1997 to celebrate author Mary Shelley and her famous novel Frankenstein. Here's an idea for Halloween parties or better yet local bingos. Invite players to dress like Frankenstein with the best costumer getting to play free; or players could come as ghosts or ghouls. Fun fact, it's been documented that almost 50% of Americans believe in the existence of ghosts. The ghosts of Abigail Adams and Abraham Lincoln are said to be seen repeatedly in the White House.

If you're afraid of ghosts, then you are phasmophobic. Personally, I believe there are restless spirits that for whatever reason hang around our earthly sphere as it zooms through the universe. I don't wish any visitations from errant ghosts, but if they do appear, I tell them to let me alone and go into the light. I did that in Vegas, Hotel Apache, which is supposedly haunted. My cell phone, although off, kept ringing in the middle of the night. I told the visitor to leave and go into the light and my phone stopped ringing and I fell back asleep. Starting the year after my mother died and for years afterward, a music box she had given me would play by itself on Thanksgiving at the family gathering. It didn't do that any other time and I never wound it up. I think it was my mother stopping by to say hello. The first ghost story ever written was by Pliny the Younger, in the first century AD. He described his ghost as an old bearded man, shackled in chains, who resided with him in his house in Athens, Greece. Believe, or not to believe, that is the question each of us must answer according to what we see, feel, or hear going bump in the night.

October's birthstone is opal, Cleopatra's favorite stone, as it is for my daughters born this month. Cool fact, opal deposits have been discovered on Mars although how that discovery happened, I can't imagine. If you like pumpkin lattes, these blends were invented by Starbucks employee Peter Dukes in 2014, only ten years ago. I hope Mr. Dukes was well compensated for his unique creation. If so, he's undoubtedly a millionaire many times over by now. Lastly, October 19th is Sweetest Day, celebrating sweet things or events. My sweetheart, Robert, and I were married on Sweetest Day, forty-seven sweet years ago this month. Time is sweetest when you're with the sweet man you love.

Until next month, may Lady Luck blow you kisses as you dance out the door with dollars. Win big. Contact: nlpvzw6172@gmail.com

Wonder Woman and Nun Battle it Out at Bingo

Halloween is my favorite holiday. In mid-October the giant spider appears atop my special coffee house and I am in heaven waiting for the other huge decorations to appear. The merchants all get in the game. One has a pile of clothes on a couch from which erupts an all-too-human scarecrow, frightening us all witless.

This holiday appears to have no religious connections, which makes it ideal to just enjoy. We all dress outlandishly, stock up on candy and wait for the magic night.

Last year our best Bingo place was sponsoring a Halloween party complete with costumes, and featuring a parade, and prizes. I spent an inordinate amount of time thinking about my costume and finally decided to dress as a nun, an outfit I kept from a play I had been in years previously. Not the modern, short dress, blend-in kind of nun, but the old-fashioned, black floor length dress, huge white collar and white hat covering all my hair.

Kate decided to go as Wonder Woman, as far removed from my costume as possible. She adores the wide silver bracelets and big belt, but most of all, the huge black wig with its yards of curls.

The party at the Bingo Palace was two days before Halloween, which made it possible to enjoy both events. We arrived early and I got a lot of special looks and

deference, pleasing my ego greatly. Other players stepped aside to give me first chance at the buy-in and I was given my choice of seats at our regular table.

I had some difficulty managing my dress and the daubers and playing sheets altogether, not being used to so much clothing, but I finally worked it all out and we proceeded through the first half with no major mishaps. My Wonder Woman sister was on twice which made us both happy.

Then came the big event, the costume parade. I'll admit to being excited as I got me and my voluminous skirts up and ready. Kate and I decided to stay away from each other so as not to create an either/or situation. The stage was very small, and we lined up on the short stairways approaching it. There was a panel of judges who did the first elimination quickly and I was pleased to make it into the second round. Next we each had to come forward, twirl and go back to our place.

I was uncertain and unsteady as I twirled, catching my foot in my skirt and overbalancing. Several people rushed forward to help, including Wonder Woman and I returned red-faced to my feet. I realized that managing the skirt would take some practice and I remembered we had rehearsed in long skirts years ago. I thought to bless everyone who had helped and silently blessed myself also.

Wonder Woman made it into the third round with me and now there were only six of us left to be judged. Abe Lincoln stepped forward and gallantly offered me his arm which helped with my balancing act. The final three were Abe, Wonder Woman and myself, giving me pause to think over the competition.

I was proclaimed winner, overbalanced one more time and graciously accepted the basket of goodies. In it were several playing sheets, including three Bonanzas. The second and third place winners, Abe and Wonder Woman, respectively, received smaller baskets and much applause.

It was hard to settle in to the second half of play after all the costume excitement. I gave Kate one of my extra Bonanzas, which she accepted gleefully and on which she won, making our day complete.

QUESTIONS

1. What is the Continental Drift?
2. Which group released "Shout"?
3. Where was "Give Peace a Chance" recorded?
4. Which musician was called Satchmo?
5. Name the song that contains this lyric: "I could stay awake just to hear you breathing, Watch you smile while you are sleeping."

ANSWERS

1. It's a line dance, aka the Sid Shuffle, from the animated movie *Ice Age*. See YouTube for instructions on the dance.
2. The Isley Brothers, in 1959. It took until 1999 for the song to be admitted to the Grammy Hall of Fame.
3. In a motel room in Montreal in 1969, during the "Bed-In" staged by John Lennon and Yoko Ono during their honeymoon. Recording equipment, including a four-track recorder, was brought in. The small crowd included one of the Smothers Brothers, Timothy Leary of LSD fame and a rabbi.
4. Trumpeter Louis Armstrong was called Satchel Mouth because of the shape of his mouth from playing trumpet. That was shortened to Satchmo.
5. "I Don't Want to Miss A Thing," by Aerosmith in 1998. The song was featured in the film *Armageddon* and topped charts around the world. Mark Chesnutt followed with a cover the next year.

* The best way to cook leafy, green veggies such as spinach and kale, is to stir fry them in just the water left over from rinsing. It works very well to steam them, and adds no fat!

* Keep track of capacity and dimension of your cookware by using a permanent marker to notate the specifications on the bottoms of each baking container you have. This way, when a recipe calls for a 13-by-9 baking dish or a 2-quart casserole dish, you can easily tell which one you need. This is especially important if you don't spend a lot of time cooking.

* "When you need to crush nuts or a cracker for crumbs, you can use a small can of soup to crush these in a plastic bag. This is for when you don't have a rolling pin." — *J.R. in Virginia*

* To avoid a dirty-smelling hamper, place a single sheet of fabric softener in the bottom of your laundry closet or in the hamper itself.

* "To keep sauces from splattering and dirtying the inside of your microwave, cover the food with a damp paper towel or a coffee filter." — *E.C. in Utah*

* "Unload the bottom rack of the dishwasher first. This way, you won't wet the dishes on the bottom if any pooled water on the top shelf spills. I thought everyone did it this way, but then my boyfriend thought I was such a genius that I figured I would share this hint with others!" — *via email*

Strange BUT TRUE

By Samantha Weaver

When Texas was its own sovereign nation in the mid-1800s, it briefly had a diplomatic mission in Paris.

In 1939, George Bernard Dantzig, a graduate student at the University of California, Berkeley, arrived late for a statistics class and copied the two problems on the blackboard, assuming they were the homework, then handed them in a few days later. Several weeks afterward, he was awakened by his professor's excited knock at the door: The "homework" was actually unsolved problems in statistics that Dantzig had managed to prove.

Since avocados never ripen on trees, farmers can use the trees as a way to store and keep the fruit fresh for up to seven months.

Maine is the closest U.S. state to Africa. It's a sweetly romantic tradition for the post offices of Romeo, Michigan, and Juliette, Georgia, to offer a special dual postmark leading up to Valentine's Day.

As comedian Bob Hope lay on his deathbed in 2003, his wife Dolores asked where he'd like to be buried. His reply? "Surprise me."

The three dots on the Domino's Pizza logo represent the chain's three original locations. Co-founder Tom Monaghan originally planned to add a new dot for every pizzeria he opened.

Female bats give birth while hanging upside down, catching the baby in their wings.

England's King Richard the Lionheart spent a mere six months of his 10-year reign in England, being there only briefly in 1189 and 1194.
